Dear Senators, Mayors, Levy Court Commissioner and Superintendent of CR District:

As the State Representative for the 34th District, I plan to hold a Town Hall Meeting for the citizens in the District on Monday March 21, 2011 at 7pm at the Nellie B. Stokes School. The purpose of the meeting is to have an open forum for citizens to ask questions, share concerns and comments relative to the district and to get to know the elected officials and Superintendent of the Caesar Rodney School District.

I plan to allow each guest to offer a few words of greeting, hopefully touching on those issues that may have a significant influence or impact on the citizens of this community. Events in the past of this nature have been very popular and well attended. They have also provided information regarding our community that we may not be aware of and need to address.

I extend this invitation to each of you and trust you will be able to attend this important meeting. If for some reason, you are unable to attend, I ask that you send someone in your place to answer questions about your office or position. I would also appreciate an RSVP from each of you. My Legislative Assistant Kay Wilson (744-4033) will be taking those calls and making the arrangements.

Thank you for your careful consideration of this invitation.

Sincerely,

Donald A. Blakey
34th District
State Representative
