Lawn Maintenance

With the first days of spring weather our gardens have sprouted and our dormant grass has awakened resulting in the first use of our lawn equipment this season.

The Town of Camden wishes to remind our neighbors to use care with their garden equipment. A number of homeowners and their children are

injured with lawn care equipment each year.

We also remind all homeowners not to discard lawn clippings into the roadways or our storm drains. The Town of Camden Property Maintenance Codes addresses each homeowner's and/or lawn care provider's responsibility for properly discarding clippings.

NOTE: Trash containers are not to exceed 40 pounds by Town Ordinance.

Bulk Trash

The Town of Camden continues to provide a monthly bulk trash pick up scheduled the last Tuesday of each month.

Homeowners are encouraged to contact the Town of Camden Administrative Office during regular business hours to arrange pick up of large bulk items, excluding air conditioning units and refrigerators, for environmental reasons.

Recycling

The Town of Camden also continues to provide a bi-weekly recycling pick up.

Homeowners are encouraged to contact the Town of Camden Administrative Office during regular business hours to arrange for recycling containers and a schedule of pick up dates according to your location.

Street Safety

Due to Daylight Savings Time arriving earlier this year and the approach of warm weather, the Town of Camden Police Department would like to remind everyone to use caution when utilizing the roadways, either as a pedestrian or a driver.

Also, the Camden Police Department discourages the use of all sporting equipment, i.e. hockey, soccer, baseball, basketball, within public roadways. This would prevent unfortunate accidents and injuries as the children are focused on their play instead of vehicular traffic. In addition the Police Department asks that parents talk with their children about pedestrian safety and laws.

If anyone has questions or concerns, please contact the Camden Police Administrative Office during regular business hours.
