

UTILITY CUTS WITHIN THE TOWN OF CAMDEN

(a) No person , company and/or utility shall make any opening or cuts into the town streets , roads and/or alleys without prior approval from the town administrator .

(b) After completion of work involving a town street , road and/or alley , the surface of same will be restored to its original condition by said company and/or utility to the satisfaction of the Town of Camden .

(c) If the street , road and/or alley is not restored to its original condition within ten (10) working days from the completion of work , said company and/or utility will be fined one hundred (\$100.) dollars and repair will be made by the town or its representative and the charge for same will be billed to the company and/or utility for the repair .

(d) In the event that the repair performed by the company and/or utility does not hold , the repair will be done again by said company and/or utility under the same terms as specified in Section (c) of this ordinance . The Town of Camden reserves the right to examine and inspect the completed work to determine satisfaction .
